CTRL-ALT-ELITE: Intellectual Property Agreement

The Intellectual Property Contract as dated of November 08,2025:

Project Description:

EasyFolio is a web-based application to help students streamline the process of building academic records, portfolios and resumes for easy management. By enabling users to **enter data once** and reuse it across multiple outputs, EasyFolio reduces redundancy, saves time, and ensures consistency across professional documents. This tool aims to enhance productivity and support faculty in presenting their achievements efficiently and accurately.

This document outlines the distribution of intellectual property rights for the Easyfolio project. All individuals listed below have contributed to the development of this project and agree to the ownership percentages assigned. This agreement is not legally binding and exists solely for educational purposes as part of this course assignment. The ownership percentages are symbolic and reflect each participant's role and making to the project.

Name	Percent	Signature
Dr. Anca Doloc Mihi (Client)	70%	ACM
Angelica Jones	7.5%	AJ
Sebastian Londono Escobar	7.5%	SLE
Travis Mounsy	7.5%	TM
Jordan Lauden	7.5%	JL

All listed parties have reviewed and agreed to the intellectual property terms and ownership percentages stated above.
